

**INFO TO HELP YOU TO CHOOSE YOUR CATEGORY :
REGULARITY or TOURING ?**

2 categories are available :

1/ REGULARITY : classification based on regularity tests and navigation with 'Free Start RT' system. Average speed from 36km/h to 50 km/h. Road Book mainly metric tulip arrow and no distance tulip arrow.

2/TOURING : no classification, no time control. Road book only metric tulip arrow with clear road signs (no measuring distance device needed) Start after the Regularity category. A bit shorter route to reach the hotel earlier.
