

**INFO TO HELP YOU TO CHOOSE YOUR CATEGORY :  
REGULARITY, CHALLENGER or TOURING ?**

Three categories are available:

**1/ REGULARITY** : A specific itinerary which includes nearly 25 RTs over the course of five days of rallying with a timed stage on the Lousada circuit as the cherry on the pie.

**2/ CHALLENGER** : The same itinerary but less intense: only one or two RTs in the morning and one in the afternoon. A more relaxed take on the week without the circuit experience but with a specific classification.

**3/TOURING** : Featuring an itinerary that is more or less the same but a little bit shorter, this category offers a 5-day touring route specifically designed to discover the most beautiful landscapes, without being timed. A mini cruise on the Douro River (depart from Regua) is also included in this exclusive programme.
