

Portugal GRAND TOUR 2022 - 25th Anniversary Seasunrally
18 to 24 September 2022

Dear Participants,

We wish you again a very nice year 2022. About fifteen of you have already trusted us and will be there to celebrate our 25th anniversary of organising Classic Rallies as you like it.

A flawless Road Book, a route to discover the most unexpected landscapes that Northern Portugal can offer us, all in a friendly, festive and convivial atmosphere.

The crossing of the Douro Valley will undoubtedly be the most spectacular part of the route. One of the winding stages through the Port wine vineyards.

Good news, we have confirmation that we will be able to ride on the two most beautiful rally-cross circuits in Portugal:

- MONTALEGRE, which hosts rounds of the WRC championship
- <https://www.montalegrecircuit.pt>
- and LOUSADA (also WRC)
- <https://cal.pt>
- which will be the scene of a beautiful finale to your rally week.

Participants in the REGULARITY category will be able to drive these two circuits in the 'special regularity timed stage' mode. For fun, participants in the CHALLENGER and TOURING categories will have the opportunity to do some laps of the circuit on an optional basis.

All this while a buffet with Portuguese specialties from the region will be served at the edge of the circuit. Delicious treats and motor sport spectacle guaranteed!

The mini-cruise on board a boat on the Douro River is also confirmed for participants registered in the TOURING category, on the 3rd or 4th day of the course.

Do not hesitate to visit our website www.seasunrally.com for further information and to discover the list of registered cars.
