Dear participants,

Another 100 days and we will all meet again in this magnificent region of northern Portugal. More than fifty crews have already registered for our rally event:

PORTUGAL GRAND TOUR 2022.

There are only 4 or 5 places left to celebrate our 25th anniversary with us.

Do not delay to contact us if you want to live this beautiful adventure.

3 categories :

REGULARITY (22 RT)

CHALLENGER (7 RT)

TOURING (no chrono)

The preparation of the route is going well and the recce in May went well despite the weather.

Here are a few photos of the atmosphere in the 'no comment' style.

We have also checked the quality of the hotels and restaurants that will welcome you with the typical Portuguese human kindness.

Luxury is the order of the day, both in the rooms and in the panoramic views, but also in the food, with gastronomy guaranteed.

On the sporting side, the Montalegre and Lousada rallycross circuits are waiting for the pilots!

Please note! For those who wish to have their rally car transported from Antwerp to Porto and back, please let us know as soon as possible or send an email to Diane Charles - diane@seasunrally.com - +32 475 244182 -
