

LOGISTICS

Upon request, we can take care of transporting your rally car for delivery directly to the Hotel Van der Valk Spa (and return it to you). Prices on request, depending on the distance travelled.

For those travelling to SPA by their own means with a vehicle equipped with a trailer to transport their rally car, a special trailer + towing vehicle parking area will be available close to the hotel for the duration of the event.

Please contact our secretariat to book your parking space.

PRE-WAR RALLY CAR HIRE

Upon special request to the organizers, we can arrange for you to hire a pre-war car so that you can take part in the 2027 VINTAGE ARDENNES TRIAL.
